

SRD CHANGE 11

GRADUATE SUSTAINABLE DESIGN EXHIBITION

...RETHINK ...REDESIGN = FRESH IDEAS

SRD Change 11 National. Grad's + Project Details Form

Join in the positive spirit. Contribute to the longest running, annual graduate sustainable design exhibition. Participate in a great process, network and learn about other great ideas for our future while advancing Green/ Ethical/ Responsible Design. Selected projects will enjoy kudos, camaraderie and feature in our new website, catalogue & exhibition. Last year \$10,000 worth of prizes in cash, software and more were awarded. All original, genuine and high quality entries will be considered. More of an UN-competition as we're not looking for One winner, but the better your project and the greater your participation, the better your potential rewards. Entry is Free, though there will be some minor expenses and your Uni may also be invited to support this special event.

TIMING: (first tranche, digital applications closed Wednesday 27 April, 2011). Invited "grad's" should use this form for projects created in 2010 for final year of Design Degrees at any major Australian University.

REVIEW existing websites and catalogues. Be inspired, see projects online as benchmarks. 2010 reference ; earlier SRD Change versions: All **SELECTED** may be required to participate in online or live meetings, attendance in Sydney may be helpful but is **NOT** a prerequisite. Exhibition will be at a major Sydney venue from late July, 2011.
